

How the story ends

The ascension of our God, isn't it so incredible that we serve the risen Savior?
It's the most powerful truth and we can live this life victoriously knowing it doesn't end in failure.

"In this world you will face trouble, but take heart, I have overcome the world".
This isn't an illusion or an assumed conclusion, it's facts from His word.
And yes there are those who might find this a bit absurd,
but if you're a kingdom thinker, I'm sure you'll agree that our God is superb !

He was born of the virgin Mary, but the story doesn't end there.
Yes He died on the cross, but the story doesn't end there either.
And as He told His disciples He would, He rose after 3 days.
He then ascended into heaven and guess what??? The story doesn't end there too !
His promise is that He is coming back for me and you, so get ready church because
THIS IS HOW THE STORY ENDS.
With you and me in the presence of J.C , praising Him daily.

This is why we have to labour for His glory and witness,
preach the gospel church and testify to His greatness.
For His power covers our every weakness and if you are guilty of sin make sure you
have a heart of repentance.
For we have many flaws and failures,
That's why we ought to read His word and try to comprehend the scriptures.

He ascended into heaven and He sent down His Holy Spirit,
So don't be alarmed when you face hurdles because our God can see you through it.

And as many are talking about how we are living in the last days , well yes we are !
That's why we have to keep searching, like how the wisemen searched for the star.
So live this life with purpose knowing that God calls us His friends ,
You , me and JESUS , that's how the story ends !!!
